FALL IS HUNTING SEASON!!

Please exercise extreme caution when you are out on the trails. Hunting is permitted on the land directly behind the Farm and between the Farm and the WSSC property. It is not permitted on WSSC land. However, you should never assume that you will not encounter a hunter even though you are on property where hunting is not permitted.

NEVER CONFRONT A HUNTER REGARDING HIS RIGHT TO HUNT ON THE LAND.

Hunters carry guns! If you see a hunter where you think one does not belong, report it to the police or to the Farm when you return. In any event, it is a good idea to trail ride in groups, wear bright colors and make lots of noise. It is also a good idea to carry a 1st Aid kit and wear a safety vest, which can be found in the office.
